### **START UP OF LEAGUE PLAY**

The League starts the third weekend of September each year.

### **SCHEDULING**

- a) All League games will normally be scheduled for Saturdays (U11-U15) and Sundays (U16/17/18).
- b) The schedule will be set from September to the end of January, using February for make up games if necessary.
- c) Make-up games are the responsibility of the two teams involved and should be played as closely to the schedule as possible.

If agreed upon by both teams games may be made up on either Saturday or Sunday.

- d) Any games not made up by the last weekend of February will not be rescheduled. No points will be awarded to either team.

## **REPORTING OF SCORES**

- a) All teams are required to report scores online through the league schedule. Codes and passwords will be distributed to the coaches.

The Home Club will be responsible for making sure that the designated field is properly lined. The home team will be responsible for the setup of goal nets and corner flags.

## **GAME OFFICIALS**

A referee is required for all league games and if available two assistant referees for each game U16-U18. The referee should be a ticketed official at least two years older than the players involved in the game. If a properly appointed, scheduled referee is not available then one of the line officials shall assume the responsibility of the referee, if applicable. The two teams must then agree upon a replacement line official or each team shall appoint a person to line one half of the game. If line officials are not available, each team should supply a linesman. The referee should not start the game until linesmen have been appointed, one from each team. If an official cannot be agreed on, and the game is not played, the home team will be responsible for contacting the scheduler and advising that the game was not played. It is the responsibility of the home team to reschedule the make up game with the scheduler. In the exceptional case when the game is postponed, due to the unavailability of game officials, the two coaches may decide whether to play and exhibition using any available person.

## **CANCELLATION OF GAMES**

Once a game is scheduled that game must be played unless:

- a) The scheduler postpones the game due to field availability.
- b) The referee decides at the field (prior to game time) that the game should not be played due to field or weather conditions. The referee is to phone their Referee Coordinator indicating the date, which game has been cancelled, and reasons why the game was cancelled.
- c) The appointed referee does not show up and the coaches cannot agree on an official and cannot each appoint a person to officiate one half of the game.

## **RESCHEDULING**

- a) The League Scheduler will only consider requests for the rescheduling of regular league games in very unusual circumstances i.e. Heavy team involvement in a special school function or illness or injury which reduces the team roster size below eleven (11) players
- b) Requests for rescheduling must be received no less than 7 days prior to the scheduled game. The request must include the reason for the request and, where appropriate, the names of players involved

**GAME FORFEITURE**

A game shall be forfeited and awarded to the opposing team by a 1-0 score upon protest (as per BCSA constitution) if:

- a) A team uses an unregistered player; a player, coach or team official under suspension; a player registered to another team; or an over-age player.
