

To all coaches and other OYSS volunteers:

Please be advised that Oceanside Youth Soccer Society requires all volunteers working with children to have a Criminal Record Check (CRC) within the past five years as part of our legal obligation under the Criminal Records Review Act. The CRC can be completed free of charge online at the following link, using the OYSS access code. This process should only take a few minutes. Clearance letters are then sent directly to the OYSS President, Suzanne Beauchesne. These confidential records are kept on file. You will be reminded when your next CRC is due prior to the expiry date.

If the online system does not work for you please contact Suzanne at smbeauchesne@shaw.ca for a letter requesting a CRC to be taken in to the Oceanside RCMP office.
